

YMCA Masters Nationals, Ft. Lauderdale, April 14-17, 2011

By Greta van Meeteren

Four NC swimmers from NC went to the YMCA Masters Nationals in Ft. Lauderdale - left to right: Hans & Greta van Meeteren, Jamie Miller and Craig Anderson.

Hans performed the role of supporter and coach this year, he has just gotten back into the pool after a 2-month hiatus.

It is always a fun to be swimming in the old "Hall of Fame" pools in beautiful weather, with a great atmosphere and friends from all over the country.

Everyone in this group enjoyed some very good races. We also tremendously enjoyed watching some of the really spectacular swimming that was going on.

The grandstand bleachers had been "condemned" and the questions remains what is going to be happening to this grand old facility. We hope the city of Ft. Lauderdale will do the necessary restoration work, and many more Y-nationals will be held here.

We also hope more North Carolina Y masters will attend this great event in years to come!
