

# North Carolina SCY records Update

**By Hans van Meeteren, Top Ten recorder for NC**

The 2012-2013 SCY season is over and 2013 LCM season is underway. New NC SCY records are posted and the 2013 SCY National Top 10 will be available soon.

For NC records all swims with a valid time swum in sanctioned NC USMS meets, or any other USMS sanctioned meets, as well as any recognized meet, such as USAS sanctioned meets, are eligible. For Top 10 this is not necessarily true as there may be issues with pool certification and bulkhead placement measurements. Therefore, there may be NC records that do not show up in the Top 10.

The North Carolina records include results from all 2012-2013 NC USMS meets. Tammy Yates from the Goldsboro YMCA has been very helpful scanning through those meet results looking for new NC records. In addition, results from USMS Spring Nationals and YMCA Nationals were considered. Some swimmers have let me know about their record swims in other venues.

**Please check whether your records are included and let me know of any records that are missing.**

63 new records were swum during the 2012-2013 SCY season. Eight of those were new National records, which brings the total number of records held by NC swimmers (meaning that swims took place when registered with USMS through the LMSC for NC) to 30. Considering individual events only NC holds about 5% of the USMS records, which is very good considering that we represent about 2.5% of the USMS membership. For this we should thank the SwimMAC Team Elite swimmers who hold 15 record just in the 18-24 age group. The table below shows the breakdown for the different genders and age groups.

Men			Age Group	Women		
New NC records	New National record	Total National records		New NC records	New National records	Total National records
26	8	23	All	34		6
4	4	12	18-24			4
2	2	2	25-29	1		
		3	30-34			
			35-39			
4			40-44	6		1
1		1	45-49			1
			50-54	2		
5			55-59	7		
2			60-64	5		
			65-69	1		
		2	70-74			
1		1	75-79	10		
7	2	2	80-84			

			85-89	2		
			90-94			
			95-99
