

# NC 2013 Short Course Meters Summary

**By Hans van Meeteren,  
Top Ten Recorder LMSC for NC**

The updated NC SCM records have been posted on the NC LMSC web site (<http://www.ncmasters.org/records>). The records have been verified against the recent posting of the 2013 SCM Top 10. Therefore, any NC records set in USMS sanctioned meets anywhere in the US should be included, unless a NC record did not make it in the Top 10. So if any records are missing please let me know. The tables below summarize in which age groups records were set and who are the 2013 record setters. The first table also shows the standing National and world records.
